

Berthoud Music Boosters King Soopers Gift Card Fundraiser Information

How the reloadable King Soopers gift card works:

When the Berthoud Music Boosters reach \$5000 or more with reloads or orders in King Soopers' four-week cycle, we will earn a 5% rebate.

Gift cards may be reloaded at the register or Customer Service Desk.

Gift cards may be reloaded in any amount up to \$500.

Please continue to reload your cards. Please don't throw your cards away.

When a card is reloaded at the Customer Service Desk or a register other than where your groceries are scanned, there is a five-minute delay before the funds will be available.

The gift card must be reloaded in a separate transaction prior to your groceries being scanned.

Any merchandise in a King Soopers store can be purchased with the gift card with the exception of the following services: Money orders, Western Union, Lottery Tickets, Stamps, Tickets West, and other Gift Card services.

To determine the balance of your card, check the bottom of the receipt, visit www.gcbalance.com, call 866-822-6252, or your cashier may check your balance.

If your card is lost or stolen, you will need to purchase a new card from the Berthoud Band Boosters in order to have it linked to the Berthoud music Boosters.

Cards with a zero balance for 90 days will become inactive. A new card will need to be purchased from the Berthoud Music Boosters.
